Not all online classes have protual exams. But if they do, online students may need to visit a local test site, with an on-site professional. They can also take virtually monitored exams online, where a professional looks via webcam or where computer software detects cheating by controlling test-takers screens Can online education replace traditional education? While e-learning will not replace traditional classrooms, it will change the way we know them today. With improved resources and reduced workloads of teachers, classrooms can switch to co-learning spaces. Students can arrive, learn, engage—all at their own pace in a collaborative environment. Are scholarships available? Scholarships are offered by a wide range of organizations, companies, civic organizations and even small businesses. Some scholarships require students to meet specific criteria, such asa certain point of average degree or extracurricular interest. Applications for scholarships should be submitted well before the school registration deadline so that students have a better idea than a prize, if appropriate, will receive. Are online courses worth it? Yeah. Online courses are able to provide the necessary knowledge and skills that is sought after by employers.
